

Submitter:

Michael Fulton

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

This measure is absurd. Oregon has been doing mail in voting for decades and changing the system would only cause confusion, and cost tax payer money. A waste of time, to fight a culture war on behalf of a corrupt orange billionaire. I oppose this, as I'm sure the great majority of my fellow Oregonians do as well.
