

Submitter:

Hannah Gonzalez

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Cheaper. Easier. Higher voter turn out. Time to make informed/researched votes if desired. We don't have to waste time in line or take time off work to vote (most of us can't afford to do either). Elderly and disabled benefit from mail in voting (including my mom) - Does Oregon not care about ALL voters? Vote no.

Thank you
