

Submitter:	Dana Larson
On Behalf Of:	Myself
Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I strongly oppose the elimination of vote by mail in Oregon. This historic system has encouraged and supported legal participation in our democracy for constituents in all districts, regardless of their occupation, physical location (out of state work or travel), or personal obligations. Please don't not try to fix something that works, or make legal participation in an essential society function any harder for Oregonians.

Respectfully,
Dana L.
