

Submitter: Sara Forrest

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

This bill amounts to an attempt to restrict voting rights in Oregon. I have always been proud that as an Oregonian, we have one of the most effective, secure and convenient voting systems in our country.

Let's call this what it is, another attempt to limit the voices of working class americans.

This is a terrible bill and will hurt our democratic process.

I strongly oppose and hope that this bill will be swiftly defeated.
