Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I support SB 210 to stop mail in voting and begin in person voting in the State of Oregon. There is no reason for Oregon to still be counting votes past Election Day up to the end of November.

In addition, the Federal Election Commission has requested that states have in person voting where ID is checked. Leaders of our state are putting us in jeopardy of losing federal funds because of their policies.

Thank you.
