Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I oppose voting in person as the standard method for voting. Voting by mail works, helps people be able to vote who are housebound, gives people time to think about it and make informed decisions and vote when they can. Voting on day of only keeps people from voting who work all day. Lines will be long, voting places have to be secured and people will have to be available to staff them.

I am very opposed to this measure.
