

Submitter:

Dave Ouzounian

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I Strongly oppose this change to oregon voting procedure.

The current vote by mail process is very effective process with very little evidence of possible fraud.

Changing this process will make voting much more difficult and complicated for many people.

I believe this is just another of many attempts to subvert our democratic voting process.

Dave Ouounian. Hood River Or.
