

Submitter:

Lisa Laser

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please do not cave to this anti democratic bill. It is an attempt to make voting more difficult which favors the GOP. Vote by mail is safe and secure. It's helps people who work, have mobility issues, and gives time to study the issues and candidates. It also does away with long lines waiting for voting. Please vote no! Thank You
