

Submitter:

Emily Gholson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a citizen of the United States and long term resident of Oregon, I strongly oppose the change in election voting. As a nurse working odd hours, it makes it extremely difficult to find time to vote in person and mail-in ballots are the only way I can keep my right to vote. Please oppose this bill for all Oregonians.
