

Submitter:

Leslie Abbott-Pierson

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose SB 210 and the potential to remove mail-in voting.

I appreciate and have used mail-in voting for the opportunity to cast my constitutional right to vote in our democratic elections.

I am a United States citizen and am legally allowed to vote and I sign the affidavit under penalty of law stating such on the mail-in voting envelop.
