

Submitter:

Kerry Bassett

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

As a disabled senior, without transportation I am so grateful for vote by mail! As a citizen who has voted in every election since 1972, there are no words to define how enormous my appreciation of the value of my vote and yours! We must protect our right to vote and our ability to vote. I oppose SB210.
