

Submitter:

Donna Ebner

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Please do not change Oregon citizens' ability to vote by mail. It has been a wonderful thing to have the opportunity to read carefully each ballot and think about it before mailing it in locally. We live rurally, and are not always confident that our votes are counted and monitored appropriately. I brag to my friends in other states about our remarkable system.
