Measure, Appointment or Topic:

SB210

I am opposed to this measure as I believe it will restrict voters who are unable to get to an in-person voting place. As I am in my 70's I have experienced both systems and believe the vote by mail system is far superior as it allows everyone who is registered to vote the opportunity to do so. It is my belief that we would see a dramatic drop in the number of voters participating in elections if we repeal vote by mail.
