I am opposed to SB210 because I feel mail-in voting is an effective way to ensure maximum participation by qualified voters. I do feel there should be adequate and aggressive steps in place to make sure only persons eligible to vote do so. The fact that errors in this regard were discovered and corrected at the state DMV tells me the system is working. If more frequent audits of all voter registration mechanisms are needed, let's do it. Tighten up the system if necessary, but don't eliminate mail-in voting! Thank you.
