SB210

I strongly oppose Oregon's SB 210. There is absolutely no reason to take away our mail-in voting. We can vote in the comfort of our homes and drop our ballot in the convenient and extremely secure ballot drop boxes. My city has a large population of retirees and requiring people to stand in line for hours is absurd! There has been no proof of fraud while we've been using this system for years. Please don't vote for this!
