

Submitter: Jon Thorpe

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Without a national voting holiday, this change would disproportionately negatively impact hourly workers, disabled, and the elderly. By making it more difficult for these groups to vote, election results would not be truly representative of the community. Oregon has safely conducted mail in voting for over two decades. There is little reason to turn the clock backward with our state's voting process.
