Measure, Appointment or Topic: SB210

I oppose SB 210 because I appreciate the ability to mail in my vote within a range of days that is convenient to my schedule. Having to appear in a crowded ballot place and standing in line, waiting for my name to be crossed off and then waiting in another line at the ballot booths is very inconvenient and in these Covid and other virus times, potentially dangerous to my health. Also, the provision to obtain mail in ballots by appearing in person is designed to be a cruel option. People may work during business hours, may have disabilities, or not have transportation.

I also oppose SB 210 having to present voter ID. This is a nasty and transparent way of disparaging voters who may not have the required voter ID. If a voter has completed their civic responsibility of registering to vote, that act must be respected and upheld.

Please allow voters to continue voting by mail. It is efficient and takes less poll workers than voting in person, an efficiency DOGE is supposedly to care about. (Ha!)
Thank you
