Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I oppose this measure to make in-person voting on the date of the election standard.

Mail-in voting is a proven, valid, efficient, and safe protocol for secured elections. Removing mail-in voting as the standard approach is tantamount to voter suppression. There are individuals with disabilities; physical or financial challenges that cannot stand in line to vote. Please keep mail-in voting the standard process for voting.
