To Whom It May Concern,

As a rural resident of Benton County Oregon, I am writing this letter to submit my strong opposition to Oregon Senate Bill 210 requiring in person voting on the date of an election and repealing Oregon's successful mail in ballot methods.

This bill is an obvious attempt to suppress voting in Oregon and further erode the democratic institutions, systems and norms that we are witnessing around our nation.

Arguments to suggest otherwise are obvious smokescreens to camouflage and distract from the malignancy of oligarchy, autocracy and authoritarianism.

Please vote against this bill and keep Oregon as a leader in open, free, fair and accessible voting rights.

Sincerely,
Aryeh Frankfurter
