

Submitter: Kathy Keyes

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

I strongly oppose this measure. It clearly is trying to make it harder for people to vote. There has been no evidence of voter fraud. With mail in voting Oregonians can better educate themselves on the issues and make informed choices. In person voting makes it difficult for elderly and handicapped voters to get to the polls. Many people live far from polling places and others cannot vote because of work schedules or transportation issues. I believe this measure is an attempt to intimidate voters. Please reject this measure. Save Vote-by-Mail.
