

Submitter:

Colette Adelman

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Mail-in voting has proven to be very successful in Oregon with higher than average voting numbers in presidential elections. It also empowers our older adults and others with mobility issues and those living in remote rural settings to be able to exercise their voting rights. Returning to in person voting is wasteful and places an unnecessary burden on the State and our residents.
