

Submitter: Cle Diggins

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Mail in voting gives ample time for busy people to participate in one of the core tenets of our democracy - elections! This also ensures that voters have enough time to fully understand the issues before voting. Having fully remote voting available in Oregon is one of the things that makes Oregon great, and removing it reduces our ability to fully account for the will of the people as is intended.
