Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I strongly oppose this bill. Our mail-in voting system is a great equalizer that makes voting in elections easier for everyone. There is no evidence that eliminating mail-in voting would make our elections more secure. Our system is one of the best in the nation and is a large contributor to our amazing voter turn out. It allows more Oregonians to have their voices heard, which only makes our democracy stronger.
