

Submitter:

Alanna Maeve Connor

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Vote by mail makes voting accessible, which is essential for a functional democracy. For people with kids, who are immunocompromised, who have inflexible work schedules, it's really a necessity. It also allows people to vote carefully and thoughtfully. It's been an amazing success in Oregon and I'm so proud to be from a state that has implemented something so positive. Please preserve this wildly successful system so that all registered voters can make their voices heard.
