SB210

I have been a registered voter in Oregon since 1982 and thus have experienced voting in person and voting by mail. I have seen how our registration and turn out have vastly increased and improved by allowing vote by mail, especially for people who cannot take a day off from work and lack transportation to get to a voting booth. I am very proud of Oregon in leading the way for voting equity. I am strongly opposed to this attempt to revert back to our shameful past to limit voting rights to a chosen few.
