SB210

My name is Elizabeth Patte, and I strongly oppose SB210. It is an affront to those of us who live in rural areas and have limited time and transportation resources. I live in Benton County, and this ridiculous proposal would be a barrier to my ability to vote, as well as that of many neighbors. Of course, that is precisely the reason for the proposal - to limit who can vote, and I see right through it. It is undemocratic, disgusting and un-American. I am OPPOSED to SB210.
