

Submitter:

Linda Mills

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I have used mail-in voting for years and believe in the accuracy and safety of the process as administered in Oregon. Each time I renew my drivers license they verify a number of forms of ID connected with my voter registration. Now I am a senior citizen with disabilities and would be unable to vote with-out mail-in voting.
