

Submitter: Richard Casey
On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210
Vote NO on SB 210

Having voted in three other states, Oregon's mail-in voting is by far the best I have experienced. Oregon's mail-in voting has actually made me a better informed and more thorough voter particularly on down-ballot and local candidates. Gone are the days of rushing from work to stand in line in the rain at a polling place. I urge you to reject this highly regressive and archaic legislation.

Richard Casey
