SB210

I am vehemently opposed to this bill. Oregon has had a successful, fraud-free, accessible vote by mail system for decades. It's a great way to vote. I love sitting in my home, reading the voters pamphlet and mailings, and doing online research on measures and candidates to vote. If this system were changed to in-person only, it would discriminate against legitimate voters. I think of my mother, who had very limited mobility in her later years, and how she would not have been able to get to a voting location. This bill is a terrible idea. Please vote it out of existence today!
