SB210

Senate Bill 210 seeks to make in-person voting on Election Day the standard method for conducting elections in Oregon. It would also limit vote-by-mail options, imposing stringent identification requirements. This action undermines the accessibility and inclusivity that have been the hallmarks of Oregon's electoral system for decades. Oregon has been a leader in implementing a universal vote-by-mail system, which has significantly increased voter participation and streamlined the electoral process.

I am strictly opposed to this measure and upholding the current voting system is critical. Oregon is among states leading the nation in voter turnout and we act as a model for our fellow states. I hope we can continue these trends into the future, ensuring our democratic process.

Sincerely,  
Rachel Handy
