Committee:	Senate Committee On Rules
Measure, Appointment or Topic:	SB210

I do not want to go back to having to wait in line to vote. It is very unfair to families and working people. I remember having to wait in line with three young children trying to keep them happy while standing in line. Since I worked the only time I could go to the poles was after work when everyone else was there thus having to wait in line in order to cast a vote.

Thank you  
Sharrol Pyle
