Hello there,

I have lived in Oregon since 1995 and prior to that was a resident of Ohio. Voting by mail allows me more time and has resulted in me making more informed choices than if I were to do it in person.

It also allows people that have difficulty getting out to vote much more easily. This bill is an attempt to reduce people's voting power - nothing more.

The idea that there is widespread voter fraud is simply not true.

Thank you,  
Cameron Jones
