

Submitter:

Jill Roberts

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I cannot fathom why the legislature is considering this measure. Vote by mail works great! It increases voter participation because it makes voting easier; especially those for whom getting to the polls physically is burdensome - new parents, working people, disabled people, elderly people and more.

Keep vote by mail the standard method for voting in Oregon.
