

Submitter: Suzanne Johnson
On Behalf Of:
Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210

Senator Smith and members of the committee:

I strongly oppose this bill. Whatever its intent is, the result would serve only to weaken our democracy through muting our voice.

Please, do not do this. It is not in the public interest. Oregon has proved time and again since we launched vote by mail in 1995 that it is a safe, secure and reliable way for voters to express their rights. Let's stick with it.

Respectfully,

Suzanne Johnson
