SB210

I am 100% against Oregon changing to in person voting! Vote by mail is safe, secure and convenient! There is no proof of voter fraud and all in person voting would do is suppress the voices of the people, because not all people can get time off work or stand in line for hours. There is absolutely no reason for this to change other than wanting less poeple to vote! If the sponsors of this bill are so sure that Oregonians want to vote in person, let them vote on it, by mail, of course!
