SB210

One of the many reasons I'm greatfull I'll be spending the rest of my life in Oregon is mail-in voting. Voting in a nation with free, fair elections is a Responsibility I do not take lightly. For many reasons it can be difficult to stand in line for hours to reach the voting booth.

Voter fraud is often touted as being to easy with mail-in voting. It is my opinion that these are separate issues and a false argument.

Please don't weaken our state buy deleting mail-in voting.

Thank you for opportunity to participate in this matter, Toni Corkery, Springfield
