SB210

Good morning,

This bill is designed to hurt Oregonians. I have voted by mail my whole life. It allows me to research issues and vote accordingly. It would be regressive to allow this to happen. Many people would be unable to vote and have their opinions matter due to lack of transport, inability to leave work or many other reason's. It's unacceptable that this is even being talked about let alone voted on.

Thank you for your time.
