On Behalf Of:

Committee: Senate Committee On Energy and Environment

Measure, Appointment or Topic: SB1187

I'm opposed to this state slush fund. The state can not manage money as is shown by the millions of dollars used(?) to build houses for the homeless and is evident by the fact that there is more homelessness now than when the project began.

This bills priorities are with DEI and environmental justice which brings concerns for accountability, oversight and transparency.

I urge you to oppose this bill.
