Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I deeply oppose this bill to eliminate mail in voting for Oregonians. Mail in voting allows for a deeper and more thorough research of candidates and positions thereby allowing for a more informed and educated electorate, and removes disincentives and barriers to voting by removing physical constraints to allow for broader participation and a more fully realized democratic process. This bill is an anti-democratic and anti-American step backwards in the ongoing march in ensuring freedom and justice for all.
