Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am opposed to SB210. There is absolutely NO proof that mail in voting is anything but efficient, effective and helps people who otherwise could not get to a polling location to vote as is any registered voters right.

Our country should be making it EASIER for registered voters to vote, not harder. This bill is made to intentionally prevent certain groups of people such as those without vehicles or medically incapable of leaving their homes or care facilities from voting.
