

Submitter: Aaralyn Absona

On Behalf Of:

Committee: Senate Committee On Rules

Measure, Appointment or Topic: SB210

Oregon has the highest voter turnout in the nation and this can be directly attributed to the ease of mail in voting. As an Oregon resident of more than 25 years I view this measure as an attack on democracy itself. I will protest and advocate for the removal of any public official who deigns to entertain this oppressive act.
