Re: Oregon Legislature (SB 210) Statement of Opposition

Thank you for the opportunity to provide written testimony on SB 210

I am writing to voice my strong opposition to this bill that Makes in-person voting on the date of an election the standard method for conducting an election. As a small business owner and employer here in Portland Oregon for the last 25 years , having the ability to vote by mail has made it possible for me to stay an active citizen supporting our elections and measures while also being able to support my business and employees. I am a restaurant owner, the type of business that is a living breathing entity that is unpredictable and many times overwhelming in the amount of time that is needed to keep it all rolling. Squashing vote by mail will create huge barriers to people like myself and to so many others in our state. Our elder rural folks, our citizens dealing with illness, disabilities , work conditions, transpiration barriers, financial barriers. This bill affects the disadvantaged and squashes their voices. Thank you for allowing me to voice my opposition to this bill Roseanne Romaine
