Measure, Appointment or Topic: SB210

I am strongly opposed to house bill SB 210. I am an Oregon voter & I will remember your position in the next election.

I am opposed to this bill for the simple reason that voter fraud is statically insignificant and photo ID does not & will not make any difference.

Between 2000-2019 Oregon citizens cast approximately 61 million votes by mail. In that same time frame, there were only 38 convictions for voter fraud, that's a 0.0000006% of votes cast.
