

Submitter:

Heather Havens

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

We, everyone I know, and both sides of the isle, are strongly in favor of vote by mail! It is as safe and accurate, or more so, than in person voting, and it creates much higher voting percentages, as poorer people and working people can easily vote. It is a very bad idea to end vote-by-mail!!!!
