

Regarding SB 210

To the Senate Committee on Rules:

Please do not change Oregon's voting rules and mail-in ballot system. It has worked beautifully for many years and has enabled us to carefully consider every issue and candidate in the comfortable and unpressured environment of our homes. Mail-in voting has enabled so many Oregonians with challenges - the elderly, the disabled and those with work schedule conflicts - to have their voices heard. Keep Oregon's vote by mail system as it is today.
