Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I voted for Vote by Mail and have so appreciated having it available. I am 84, somewhat disabled & do not drive so Voting by Mail is a blessing. I have, in my 63 voting years, only missed voting 1 year. It is a privilege I do not want to lose. Please vote to oppose this Measure SB 210 and allow our vote by mail to continue.
