Committee: Senate Committee On Rules
Measure, Appointment or Topic: SB210
To Rules Committee Members:

I am STRONGLY OPPOSED to SB 210 which would repeal for our vote-by-mail system. I am very proud of Oregon's longstanding vote-by-mail system. This makes it easy for Oregon citizens to vote. Individuals have time at home to consider candidates and legislation before casting their vote. Most importantly this enhances peoples' ability to vote as they do not have to take time away from work or helping take care of family members, etc. In Oregon and elsewhere nationwide vote-by-mail is by far the most effective way to encourage voting - and also easier/more cost effective to administer. It is OUTRAGEOUS that legislators want to make it more difficult to vote. This goes against fundamental principles of democracy upon which our country is based. I think the entire country should follow Oregon's example to implement vote-by-mail nationwide.

Sincerely,
Kathy Seeburger
