SB210

To the Oregon Legislature,

This last Presidential Election was supposed to be on time before 8PM. The Polls were supposed to be closed at the same time, no reasons to keep the polls open. Mail-in ballots were also to have the same time for closing. But no! Ballots were still coming in for days after. We need to;

- Vote in Person at the Polls, no more Mail-in Ballots, accept for Voters that fill out the form as an Absentee Voter.
- Require Valid Voting with proven ID and Citizenship
- Ensure Ballots are Returned on Election Day, On Time, before the Polls Close
- End State-Paid Postage, No Harvesting Ballots
- Refer the Act to the people, for approval at the next General Election
- I vote for Election Integrity, it's about time we validate our count in all the

States

I vote Yes, for SB210

Thank you,
