

Submitter:

Kurt Dahlke

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB210

Oregon's Vote by Mail system has worked, makes it easier to vote, and ensures that the public, should it so desire, can make its voice heard. SB 210 would make it more difficult to vote, thus suppressing voter turnout, which is anti-democracy. I oppose SB 210.
