Senate Committee On Rules

Measure, Appointment or Topic:

SB210

I am a Gerontologist and Geriatric Care Manager. The majority of my clients are housebound and many are in wheelchairs. It is not feasible for them to go out to vote, both physically and financially. They would have to engage transport and care-giving assistance which is expensive and exhausting for them. On behalf of our elder population who have disabilities, I strongly oppose SB210 which would abolish vote-by-mail in Oregon.

Sincerely.

Glenna Wilder, MA
